The English Drama Workshop at the ThOP

“All the world's a stage!”

Every year around Easter, a drama is staged at the ThOP (abbreviation for: “Theater im OP”) of Göttingen University in English. The ThOP is a student theatre located in the German department in the Jacob-Grimm-Haus. The theatre as well as the English Drama Workshop there incorporated welcome amateurs who want to take a step on stage or help with the production of a play. The workshop is patronized by the Sprachlehrzentrum and accommodates native speakers of English and also those who do not have English as their mother tongue. It is Northern Germany's longest playing English-speaking theatre company and makes theatre an adventure in English.

→ ThOP informational evening: 27 October 2010, 8 pm, Käte-Hamburger-Weg 3.
